To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 7/24/2020.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>

2	
---	--

	<b><u>Mandatory Condition #3:</u></b> You must refrain from any unlawful use of a controlled substance. You must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.

**Supporting Evidence:** The offender is alleged to have violated mandatory condition number 3, by ingesting a controlled substance, methamphetamine, on or about August 9, 2020.

On August 11, 2020, the offender reported to Pioneer Human Services as directed to submit to urinalysis testing. The urine specimen provided by the offender returned presumptive positive for methamphetamine and she signed a drug use denial form indicating she had not ingested said controlled substance.

On August 12, 2020, the undersigned officer contacted the offender to address the aforementioned positive drug test result. During the discussion, the offender admitted to ingesting methamphetamine on or about August 9, 2020.
